|  |  |  |  |
| 200g milk chocolate, broken into pieces   | 85g shredded wheat (crushed) or Rice Krispies or Cheerios                          | 2 x 100g bags mini chocolate eggs or white choc buttons                             | cupcake cases  |

- Melt the chocolate in a small bowl placed over a pan of barely simmering water or very slow bursts in the microwave.
- Pour the chocolate over the shredded wheat, krispies or cheerios and stir well to combine.
- Put into cake cases or small ball shapes and put a thumb indent to make a well to put the eggs in.
- Chill the cakes in the fridge for 2 hrs until set.
